WHAT WE DO

WHY IT MATTERS

In today's interconnected world, America must use all of the instruments of national security and foreign policy at its disposal. America's civilian tools of development and diplomacy are underfunded and undermanned, which is why the USGLC supports a strong and effective International Affairs Budget to advance America's:

SECURITY

Fighting terrorism, combating the global pandemic, stabilizing weak and fragile states, supporting global health systems combating weapons proliferation, and promoting global stability.

PROSPERITY

Developing international markets, driving economic development, creating American jobs, and expanding exports.

VALUES

Saving lives, alleviating global poverty and hunger, fighting HIV/AIDS and other infectious diseases, and expanding educational opportunities for women and girls.
